

Guidance on accessing open data via the public API of the JSC “Market operator” website

1. Please familiarise yourself with the Rules on Granting Access to and Use of the Public API of JSC “Market operator” (hereinafter referred to as the ‘Rules’) and the Application for Access to Open Data via the Public API on the JSC “Market operator” Website, available on the Market Operator’s official website (in Ukrainian and English). Market Operator may unilaterally amend the Rules.

2. If you agree to the Rules, please download the Application form, select your preferred language (Ukrainian or English) and complete the Application for Access to the Market Operator’s Data via the API. Sign it by applying an electronic digital signature (for example, in “.p7s” format, and, if available, also with the business entity’s electronic seal) – for resident Users, or with a handwritten signature – for non-resident Users (see note below), and send it to the following email address: kanc@oree.com.ua.

For legal entities and individual entrepreneurs: if the Application is signed by a person other than the head of the legal entity or the individual entrepreneurs, a copy of a power of attorney or other document confirming that person’s authority to sign the application must be attached to the application.

For non-resident Users (non-resident legal entities, non-resident individuals): the Application must be signed by the User (or their authorised representative) with a handwritten signature and sent as a scanned copy to the email address specified above; documents confirming the registration or identity of the non-resident User and the powers of their representative must be submitted together with a translation of such documents into Ukrainian (a certified translation is not required).

3. Within three working days, you will receive an email at the address specified in the Application, containing an API key to access open data via the public API on the website of JSC “Market operator”.
